Dear Friend of San Francisco Public Schools,

I write on behalf of the Auction Committee at Roosevelt Middle School. We are one of San Francisco's smallest middle schools and strive to foster an environment of critical thinking, respect for one another and the world around us and student-centered learning. Our students come from all parts of San Francisco, are racially, ethnically and socio-economically diverse and have varied levels of home support. We have single parent families, LGBT families and students being raised by relatives and guardians. In short, our students and families reflect the diversity that we in San Francisco fully embrace.

As a public school, we cannot do it alone. Roosevelt recently lost our Title I funding and the Parent Teacher Student Association (PTSA) is helping to raise critical funds so that we do not have to cut valuable programs. In these tough economic times, we rely on generous business donations to make-up our budget shortfall. Through our fundraising efforts, we help fund our school librarian, nurse and social worker. The PTSA also funds our substitute teachers, award-winning music program and eighth grade camping trip. Our dynamic lunch clubs are popular and because we know that the middle school years are formative ones, we continue these clubs to foster community within our beautiful brick school building.

We fundraise for Roosevelt because we know it makes a difference. Our students are thriving. We have seen an across-the-board increase in test scores in the last several years. The morale among our teachers and staff is at an all-time high. Our families are engaged and supportive. And because student success begins at home, the increased family participation is welcomed by all.

Our biggest fundraiser is our spring auction. This school year, our auction will be held on May 17, 2020 and will feature a silent auction with merchandise and services generously donated through local businesses. We expect over 120 parents, friends, and community members to attend. Please consider making a donation. Your business will be providing valuable community support and in turn, will receive visibility through recognition and credit of your donation.

If you are able to make a donation, please mail, email or fax the attached Donor Form by May 1st, 2020. Because the PTSA is a non-profit organization, all donations to the Roosevelt PTSA are tax-deductible (Tax ID # 90-0809982). Should you have any further questions, please contact us at RooseveltMSAuction@gmail.com. We thank you for supporting San Francisco's next generation.

Sincerely,

Auction Committee
